

The Hearts Center

April 20, 2007

Good afternoon,

For all of you who heard the call to be a part of Hilarion's team on the European Pilgrimage, I have attached the "long-awaited" itinerary." We will enjoy fourteen days together, including our air travel: four days in Greece, three in Crete and five in Italy. We depart from Atlanta on October 9th and return home on the 22th.

From all of my research in preparing this pilgrimage, October is one of the best months to travel in this part of the world. While there we will explore the amazing ancient cultures and sacred sites of Greece and Italy, as well as engage in our spiritual work of prayer, mantra and song for balancing karma and anchoring light. We will participate in a Meru University class on Advanced Healing sponsored by Hilarion while under his retreat on the island of Crete. And, throughout the pilgrimage, while on the road, we will participate in the Harvest Conference.

As you contemplate being a part of this pilgrimage, and just what this journey will mean for you and the planet, remember Hilarion's words from a little over a month ago:

"Many of you have karma within the European continent that still lingers within your electronic belt to be consumed. Much of this was made in the area of the Mediterranean and specifically in the nations of Greece, Italy and Eastern and southeastern Europe. This pilgrimage will give many of you the opportunity to balance up to 7 percent of your remaining karma within the two-week period of this venture, if you are determined to sacrifice to be an attending one to me and to the angels that will move with you during this event."

The application form is on page 4 of the itinerary and is to be mailed back to me with your \$500 deposit by Mother's Day, May 13th. Applications will be time-stamped as I receive them. The first 55 people who send in their deposits will be assured of a space on the pilgrimage. Thereafter, due to the limited seating capacity of our tour bus, other people will go on a standby list.

With the decreasing value of the dollar against the euro, the cost for this incredible pilgrimage will be approximately \$4,500. This includes airfare from your home to Atlanta as well as travel Insurance. This is approximate; because it may be slightly less if you live closer to Atlanta and slightly more for those of us in Montana or west coast cities. For this pilgrimage, your balance of approximately \$4,000 will be due the first week of August.

This is the pilgrimage many of us have been waiting for! It's an opportunity of a lifetime! We have heard Hilarion's call! So let's set your visualization and our alchemy to be on this pilgrimage in October!

AOV,
Paul Haugen
Pilgrimage Coordinator
